MULTI-MEDIA OUTREACH PROGRAM

In response to years past of poor outreach, members of the Executive Board have created new cabinet positions in effort to expand the social media footprint.

MC '19's Alexander Stuart, Brock Brewer, and James Cole have all stepped up to serve the chapter in videography, photography, and other necessary skills to properly create content.

The new cabinet positions were appointed by the Communication branch after game-planning content for specific upcoming events the chapter wishes to highlight.

Find their work on SigEp social media pages. Information to follow SigEp across all platforms can be found on page two.

#EMMASTRONG PHILANTHROPY RAISES \$5,200

With the men of Beta Theta Pi and the women of Alpha Omicron Pi, we have all come together to host a joint philanthropy raising \$5,200 for AOII sister Emma Lande as she continues her battle with cancer.

Her powerful story starts before her journey at Washington State and her acceptance into the Greek community. She has been an incredible friend to our chapter's brotherhood and continues to be a role model for many here on this campus.

"I was absolutely humbled and amazed at the amount of people who came out to support this event! You guys showed me the true goodness in people." – Emma Lande

'Cougs help Cougs' was in full effect Thursday as Ruby Street Park was filled completely for the entirety of the three-hour event. Additionally, several hundred dollars were already raised before the philanthropy in response to several pushes on social media to fundraise proving an early 'win' for the newly appointed multimedia team.

MAX WARNKE WINS 'DIAMOND DUDE'

Alpha Delta Pi created a brand new philanthropy this year nicknamed the "Diamond Dude" competition. The event is a series of fundraising challenges followed by a talent show and vote. WA Alpha's Max Warnke sealed the victory after a beautiful cover of George Michael's "Careless Whisper" on the saxophone.

"It was my way to shed light on a popular charity in the best way possible." – Max Warnke, MC '19

Fellow MC '19 Eddy Rohosy – lead guitar of popular Pullman band *Street Couch* – accompanied Max on guitar. The philanthropy benefited the Ronald McDonald House Charity in downtown Spokane's Sacred Heart Hospital.

QUEEN OF HEARTS COLOR RUN PHILANTHROPY

WA Alpha's philanthropy in the fall of 2019 will be a week-long Queen of Hearts fundraising competition between sorority on campus.

The philanthropy benefits Light the Night - a fundraising event for The Leukemia & Lymphoma Society that specializes in saving the lives of cancer patients today by providing patient support services, advocating for lifesaving treatments, and pioneering the most promising cancer research anywhere.

Light the Night played an integral role in the life saving treatment provided to Brenna Messner - the younger sister of SigEp brother Will Messner.

If you would like to support this philanthropy, consider running in the Color Run! The event takes place Oct. 5, 2019 at the Valley Road Play Fields. Participations is free and donation based. You can buy shirts at the event to support Brenna as all revenue from sales will be donated back to Light the Night and Brenna Messner's personal fundraising goal of \$50,000.

If you are not interested in running or cannot make it, please consider donations of any amount can be made through our chapter Venmo account "@SigEpWSU". Donations can also be made in person at the event through cash or card.

ANDREW THOMAS TO THE IFC COUNCIL

MC '16 Julian Naranjo has served the community on the Interfraternity Council since last spring as the executive vice president. Despite three SigEp's running for positions, Julian was the only to land a spot.

A vacant chair opened on the council headed into this school year as the Director of Personal Relations resigned office. With the interim position opened, MC '17 Andrew Thomas ran once again and won the spot per an IFC Senate vote.

Andrew is now the fourth SigEp to sit on IFC in the past two years. Preceding him and Naranjo is Austin Loomis and current SigEp Regional Director Taylor Swanson from the 2018 Council. Both of whom hail from member class '15 and attended the Ruck Leadership Institute summer of 2017.

VIRTUE. DILIGENCE. BROTHERLY LOVE.
